Hi Josh-

When we talked on the phone the other day I mentioned that I would try to get in touch with the Springfield ADA that I have a trial scheduled on May 11, 2011 with – the same day as the [REDACTED] case. The ADA has informed me that it looks like it will definitely be a trial. Also, I have received word from a Superior Court ADA (also in Springfield) that one of her cases has been continue to May 11th as well, so it does not appear as though I will be available for you in Brockton that day. I'm not sure if you can get your case continued or not, but here's my schedule for the rest of May as well as June so far (depending on when you can get the date changed, I may have already received a summons for your new date, so if it will be a while before you can get it moved, you may want to ask me for an updated schedule). I apologize for the inconvenience. Thanks.

Hi Karen-

I'm curious of the status of the [REDACTED] case scheduled for trial on May 11, 2011 as I have received a summons for a case in Brockton that day as well and I am trying to let the ADA there know if I'll be available for him or not. Thanks for your assistance.
